

PowerGen Global Help Form

Use this anonymous form to report a suspicion, concern or knowledge of any compliance issue.
Reporting and addressing suspected violations of the law or the PowerGen Business Principles (PGBP) is of critical importance in protecting our reputation and the value of the PowerGen brand. You will be asked to provide your identity to enable your query or concern to be handled most effectively, but anonymous reports will be accepted. The Helpline is available to customers, suppliers, partners, advisors and employees of PowerGen.

- ☐ Nigeria
- ☐ United States
- ☐ Germany
- ☐ Other: _____

Where did the event you are contacting us about take place? *

Choose ▾

What type of issue are you reporting? *

- ☐ Health & Safety: Concerns regarding company related activities that affect the health/safety/security of employees and other parties and/or the society and environment.
- ☐ Human Rights: Concerns related to the activities of the company that affect the human rights and/or the general wellbeing of the communities within which the company works.
- ☐ Harassment: Action, conduct or behavior which is humiliating, intimidating, offensive, hostile and unwelcome, or unreasonably disrupts another person in his or her work.
- ☐ Equal Opportunity: Concerns related to employment decisions, including hiring, evaluatio promotion, training, development, discipline, compensation and terminations, not based on solely objective factors. Concerns related to discrimination based on race, color, religion, age gender, sexual orientation, gender identity, marital status, disability, ethnic origin or nationality.
- ☐ IT & Communication: Non-compliance with PowerGen IT security requirements, including: sharing Shell IT login details with others, conducting personal business activities using Shell IT or communications facilities, and access, store, send or post pornography when using Shell IT.
- ☐ Protection of Assets: Failing to preserve, secure and protect the financial, physical or intangible assets of Shell including buildings, equipment, funds, software, know-how, data, patents and other IP against their waste, loss, damage, misuse, theft, misappropriation or infringement, and failure to report such instances.
- ☐ Data Privacy: Shell companies failing to protect the privacy of the individual's personal data in accordance with applicable laws, the Shell Code of Conduct and/or other Shell policies.
- ☐ Intellectual Property: Misuse of PowerGen IP rights, or IP rights of others.
- ☐ Information and Records Management: Failure to comply with the company's information and records management standards, and with legal and regulatory requirements.
- ☐ Disclosure & Business Communication: Unauthorized disclosure of Shell's business activities and non-compliance with the Shell Disclosure Manual. Failure to comply to Shell's business communication standard and Social Media guidelines
- ☐ Antibribery and corruption: The offer or payment of money or another benefit to someone in business or government in order to obtain an improper commercial advantage.
- ☐ Gifts & Hospitality: Accepting or giving gifts or entertainment that exceed the policy limits or violate the Shell Code of Conduct.
- ☐ Conflicts of Interest: Personal relationships, participation in external activities or an interest in another venture that might influence or be perceived by others to influence business decisions for Shell.
- ☐ Antimoney laundering: Money Laundering occurs when the proceeds of crime are hidden in legitimate business dealings, or when legitimate funds are used to support criminal activities, including terrorism.
- ☐ Political activity & payments: The making of payments by or on behalf of a Shell company to political parties. Failure by Shell staff/contractors to keep personal political activities separate from their role at Shell.
- ☐ Antitrust: Failing to comply with applicable laws. Behavior that limits trade or that restricts fair competition such as price-fixing, market-sharing or bid rigging, or behavior that aim to achieve or maintain monopoly.
- ☐ Trade Compliance: Failure to comply with all applicable national and international trade compliance regulations.
- ☐ Accounting / Auditing Matters: Non-compliance with accounting, financial disclosure and auditor independence requirements.
- ☐ Other: _____
